

E-Reader! Reading with Nook Books

Using the Nooks, students will engage in both whole-class and small group instruction, and practice reading independently with Library Media Specialist Anne Anderson. Meaningful mini-lessons will provide students with the tools needed to strengthen their reading skills, make connections, and foster a love for reading! Students will be able to take home and use the Nooks during their 4 day session.

June 10-13 8:30-9:30 a.m. K-2nd gr. students

June 17-20 8:30-9:30 a.m. 3-5th gr. Students
